2. Submit your best/favorite photos. Do not include photos submitted in a previous RVW photo contest.
3. On the back of each photo, clearly print the category, your RVW membership number and the date the photo was taken. Include your first name if there are two people under the same RVW number. Also include a note describing the photo.

6. Entries must be received in the RVW office by Oct. 1, 2010.

Requirements for photos:

1. If you are using a film camera, photos should be submitted as an 8x10-inch professionally processed print from either a color negative or color slide.
2. If you are using a digital camera, photos must be taken at a high resolution setting. (Most camera shops can help you set your digital camera to high resolution.) On some cameras, the highest setting may be labeled "TIFF." Check the size read-out on your camera or in your user's manual. The highest quality setting should be at least 72 dpi at 30x40 inches or 300 dpi at 8x10 inches. Copy the photo onto a CD at full size and resolution in JPEG or TIFF format. Submit the CD, along with an 8x10-inch print of the photo for judging purposes.
3. No "digital magic" photos will be accepted (i.e., artificially colorized, manipulated to add or delete an image or manipulated to stretch or skew an object). Photos with captions or text added also will not be accepted.

All entries become the possession of RVing Women and will not be returned.
